**Mesothelioma
Research
Foundation of
America**

Please join The Western State Conference of Heat & Frost Insulators and Allied Workers to raise funds for the Mesothelioma Research Foundation of America (MRFA).

This tournament is held at the gorgeous Napa Valley Country Club and has raised more than \$1,000,000 for MRFA, which directly funds the mesothelioma research program at the USC.Norris Cancer Center. Under the leadership of Dr. Parkash Gill, the research team has already made many important discoveries and is testing several promising treatments. All proceeds from the 2018 tournament will again benefit MRFA. For more information about the important research being conducted by Dr. Gill, go to: www.mesorfa.org
